Carver reported that he saw General Wheeler concerning the use of M-14 rifles for arming RDC groups in South Vietnam.

Carver drew attention to a FLASH from Saigon reporting on the possibility of enemy attacks today.

Warner advised that yesterday's hearing on NRO will continue on Monday.

DD/S&T advised that the first mission of the SR-71 was flown in spite of bad weather, not because of poor judgment but because the weather forecasts were wrong.

DDCI drew attention to a useful article on Vietnam by Dick Critchfield in 10 February's Washington Star.

ACTION:

1. The Director asked Warner to ensure that key congressmen are informed of the role being played by Radio Free Europe and Radio Liberty in Poland.
